Membership Notes

- If a customer wishes to have the option to swim **all 5 days** they would be able to purchase **both** memberships if they wish.
- Memberships will be sold on a first come, first served basis.
- Customers will be able to swim for any length of time between 7.00am – 8.30am on their chosen days of the week.
- Memberships will be restricted so that the pool will not be overcrowded, the maximum occupancy for each day is 25 swimmers.
- The pool will be supervised by two NSC qualified lifeguards and customers will be required to sign in at the beginning of the session (and show their MSR Scorecard) to check they have the correct membership for that day.
- There are full shower / changing facilities at Ballakermeen for customers to use however unfortunately there are no lockers or hairdryer facilities. Customers are therefore advised not to bring any valuable to the session.

- Initially only an August – December 2018 membership will be on sale. The second part of the Early Bird Membership will be available for purchase in November 2018 which will run from January until the NSC pool reopens (further details to follow).
- If you do not wish to purchase the Early Bird Membership from the start (i.e. 6th August) you may purchase the membership at a later date and the price will be reduced pro rata, **however this is only subject to there being places still available.**
- Unfortunately there will be no access to the Ballakermeen Pool during the Christmas Holiday period.
