Meet the Sports Leader..

Cameron has been a keen participant at the multisports activities for many years and has been involved with the Manx Youth Games on several occasions. Cameron loves football both playing and watching and can be found at most sessions having a penalty shoot out with one of our coaches. Through the multisports activity's Cameron has also been able to test his skills in other sports such as cricket, athletics and handball. We are very excited to have Cameron as our flag bearer again having previously been our representative in the 2021 Manx Youth Games.
