Meet the Sports Leader..

Bree has been playing badminton for 7 years at Fencibles Badminton Club. Her older sister encouraged her to play badminton, and is now following in her footsteps as flag bearer. She has played badminton in the Manx Youth Games since she was in Year 6 and has coached for the last 3 years. Bree plans a career in outdoor education and would love to continue coaching at the Manx Youth Games. Bree has been playing badminton with Sarah for the last 6 years.

Along with Bree, Sarah has been playing badminton at Fencibles Badminton Club for 6 years. Sarah competed in the Manx Youth Games from Year 6 to Year 9 and then became a coach last year. She is hoping to go to university but plans to coach at the Manx Youth Games for one more year before heading off to study. She hopes to coach again after university as she would love to give back to the young primary girls, as she got so much out of the Manx Youth Games when she participated as a young person.

On the day schedule:-

Players will split into equal groups and play a round robin in the morning
