Meet the Sports Leader..

Peter Boussougou started his basketball career attending MYG sessions in the west. This was where he found his love for basketball and his talent has shone through. This was shown through his selection to represent the Isle of Man on the senior mens squad at both the Gibraltar and Guernsey Island Games. Whilst continuing to play in the senior men’s league for 2024 playoff finalist team Jets. Peter has dedicated his time to coaching and inspiring younger players in the West of the island.

## On the day schedule:-

**We will be aiming to start our medal ceremony by 3, with games running all day in both halls. The games will be in a round robin format, split into two leagues.**

**Seniors will have a lunch break at 12:30, however junior games will continue throughout and they will just eat when they are off for a game to allow for the large number of teams**

## Medal Ceremony

Presentations to be made by representatives of the sport and/or representatives from our sponsor, Sporting Club Isle of Man
